2023 PRESIDENTS MESSAGE

Welcome back everyone! After three years of Covid restrictions and floods it is fantastic that we are able to run our 2 day Agricultural Show again. We hope you are all ready to have some fun and enjoy what we have to offer. Our stewards and volunteers have been working tirelessly all year to ensure that we have an event for you to enjoy. Our main event for 2023 is 'Freestyle Now', Australia's leading BMX stunt show team. Over the two days you will witness some awe-inspiring displays of skills from the most elite riders within the country.

Firstly I would like to say a big thank you to all our sponsors. Our two day show gets more expensive to run each year, and due to the generosity and support of our wonderful sponsors that allow us to keep our ticket cost to a minimum. We understand how tough it has been financially for a lot of our businesses and sponsors over the last few years, and for them to put their hands in their pocket again in 2023 to support us, truly means the world. So thank you.

Secondly, thank you to all our volunteers who give up their time throughout the course of the year, to ensure that every section is represented and ready to put on a show over two days. There are so many volunteer hours that go into creating the Cobram Show and again we are very grateful for each and every one of you. If you are interested in joining our committee please get in touch with us. We would love to see some new members with their new ideas to ensure the longevity of our annual event. Whether it's for the whole year or if it's only a few hours on show weekend, many hands make light work!

We hope you enjoy all that's on offer and enjoy our fantastic two day show.

Jodie Wilson

President

Young Farmers Challenge

The Australian Young Farmer Challenge (AYFC) is an engaging, entertaining and fast paced competition for young rural people (aged 18 – 35 years). The AYFC is a demonstration of the talent, skills, techniques and safe work methods that young farmers use every day.

Teams compete in a series of skills-based challenges related to farming with a strong emphasis on technique and safety. Competitors are asked to do their best to complete the challenges correctly against the clock, as well to focus on safety, and most importantly, enjoy the competition and provide entertainment to the audience.

Currently VAS Ltd is working with the Melbourne Royal to develop the Young Farmers Challenge in Victoria with the State Final being held at the Melbourne Royal Show each year.
