2022 Junior Show Ambassador State Final Results

At the 2022 Convention the Junior Show Ambassador State Final was held with 4 inspiring and committed ambassadors to the Victorian Agricultural Shows Movement and getting the next generation involved in the community. Enjoy reading about each ambassador and the results of the State Final.

Jamie Dempster representing Goulburn Valley Riverina Group & Kyabram Show

Jamie has a strong passion for agriculture and his career ambition is to work in the farming or agriculture field, which he is currently working as a farm hand. He completed Year 12 in 2020 and also completed Certificate II & III in Agriculture. Jamie is interested in Sheep Dog Trials, Gardening & Agricultural Shows and events. Along side his Dad at the Kyabram Show they look after and maintain the Goat Shed before and after the Show. Jamie considers himself as a hard worker and likes to complete a job to a high standard.

Sebastian Reino representing Central & Upper Goulburn Group & Sunbury Show

Sebastian is heavily involved in his local community and is currently completing Year 12. He is very involved in sport and particularly likes Tennis, Football and Karate, which in fact is currently brown belt with a goal of black belt by the end of the year. His passions for Shows started at a young age of 5 when entering art, craft & cooking. Sebastian has joined the Sunbury Show Committee with the goal of starting a youth committee and taking on organising the pet parade. He considers himself as ambitious and eager to achieve the best results he can.

Sheridan Venables representing Central & South Gippsland Group & Pakenham Show

Sheridan having recently completed Year 12 in 2021 is currently working as a Vet Nurse at the Yarram Veterinary Centre, taking care of animals throughout their stay at the clinic. She was awarded an Australian Scout Medallion that demonstrates her leadership in the Scout Community, which this involvement led to her participation in the Pakenham Show over 10 years ago. Sheridan has completed a range of tasks on Show Day such as setting up the Show Trail, helping in the pavilion and more recently her role as ambassador presenting ribbons. She endeavours to use her strong passion for animal care to create safe environments for livestock to be exhibited at Shows.

Toby Fleming representing South Western Group & Noorat Show

Toby grew up on a dairy farm near Camperdown, which sparked his passion for agriculture and is currently completing a Bachelor of Agriculture majoring in technology at New England University NSW. He is heavily involved in the Boorcan Cricket Club as the field curator and also key role in submitting results and statistics weekly. Toby has recently joined the Noorat Show Committee to assist with the Dairy Cattle Section, which was where his passion was ignited for showing Dairy Cattle six years ago. He aims to use his initiative to complete tasks and aims to allow everyone to share ideas in a team situation.

Congratulations to Toby Fleming on being awarded winner of the 2022 Junior Show Ambassador State Final and Sheridan Venables on being awarded on runner up!

Katherine Bain
(Midlands Group -
Beaufort Show)

2022 VAS Ltd Rural Ambassador State Final

Alexandra Pattinson

"Being part of the VAS Rural Ambassador program was so valuable for me both personally and professionally. The highlight was the weekend at the Melbourne Royal with an opportunity to network and learn from leaders in agriculture and community engagement. I consider myself so lucky to be an alumni with a passionate and inspiring group of young people from across the state".

Rylie Cherrey

The Rural Ambassador program highlighted to me that there are so many young people involved in agriculture who are passionate about the sustainable future of rural communities and industry. It was inspiring and rejuvenating to spend time with fellow Rural Ambassadors and have overwhelming encouragement & support within our group, family, friends, the judges, those from VAS and Melbourne Royal. Personally, the program made me realise how much I have achieved and it was really nice to be recognised as well as being given some tools to grow.

Giorgi Boucher

"While our days at the show were nothing short of exhausting, I was so thankful for the opportunity to rub shoulders with some of the best in the industry, my fellow competitors included. The lessons and connections we took away from this experience will stay with us for a very long time. If you're considering taking part in the Rural Ambassador Award and are having doubts, I strongly suggest giving it a go. Even though I mightn't have walked away with the top job, I am in no way disappointed and feel like a winner with the friendships I have gained and opportunities that await me in the future as a result of being a part of this competition"
